of Service Authority and Accompanying Tariff of) **Case No. XD-2006-0076**
Alticom, Inc.)

ORDER CANCELING CERTIFICATE AND TARIFF
AND CLOSING CASE

Issue Date: October 17, 2005

Effective Date: October 27, 2005

This order cancels the certificate of service authority and tariff of Alticom, Inc.

On August 10, 2005, the Staff of the Missouri Public Service Commission moved to cancel the certificate of service authority and tariff of Alticom. In its motion, Staff states that this Commission granted Alticom a certificate of service authority to provide interexchange telecommunications services in Case No. LA-2003-0305. In the same case, the Commission approved Alticom's tariff, P.S.C. Mo. Tariff No. 1.

Staff states that Alticom, a Massachusetts corporation, is in good standing according to the Massachusetts Secretary of the Commonwealth. Staff states that the Missouri Secretary of State, however, has revoked the company's certificate to do business in the state of Missouri as of July 15, 2005, because the company failed to file its Annual Registration Report with that office.

In further support of its motion, Staff states that the company sought bankruptcy protection under Chapter 11 of the Federal bankruptcy code in the District of Massachusetts, Eastern Division, in Bankruptcy Petition #04-14803-CKJ. That case was

voluntarily dismissed on September 7, 2004, when the company's motion to dismiss was granted. According to the company's motion in that case, the company was "winding down its business operations" and "conducting an orderly liquidation of its own assets."

Staff further states that it has been unable to contact Alticomm because its telephone numbers have been disconnected. Staff does not believe Alticomm provided interexchange service to any Missouri customers, and according to its last filed Annual Report, the company had no Missouri revenues.

Staff served its motion on the last known address of the company as filed with the Commission and on the company's registered agent. No response to Staff's motion was received.

Under Section 392.410, RSMo Supp. 2004, the Commission has the authority to cancel a telecommunications corporation's certificate. After reviewing Staff's motion, the Commission determines that this company is no longer in business in the state. Therefore, the Commission finds that the certificate of service authority granted to Alticomm, along with the accompanying tariff, should be canceled.

To ensure that the company has had every opportunity to respond, the Commission will require its Data Center to serve this order upon the addresses for the company as listed in Staff's certificate of service.

IT IS THEREFORE ORDERED:

1. That the certificate of service authority granted to Alticomm, Inc., in Case No. LA-2003-0305 is canceled.
2. That the accompanying tariff, P.S.C. Mo. Tariff No. 1, filed by Alticomm, Inc., is canceled.

3. That the Data Center of the Commission shall serve a copy of this order on the following:

Registered Agent for Alticom, Inc.

4. That this order shall become effective on October 27, 2005.
5. That this case may be closed on October 28, 2005.
